TO THE PUBLIC. We have been informed by several gentlemen

RAGS WANTED. APPEAL counting-room, Atlanta.

GO TO WOUR.

The occupation of Meridian, Mississippi, by the Yankeen, is a serious less to our cause, as it effectually cuts us till from the productive reginn lying along the Mobile and Onlo ratifood, and north of that point Large quantities of educe had been gathered at the various depour ly our Government, but so sudden were the movements of Summas that but little of it was removed, and the enemy will now be able to eather supplies from the country north of im. As our producing area is thus so maletially narrowed down, it becomes the Imperve duty of our people in other ecchons to put forth their bust exceptions in raising supplies. It is as important they should do this, to in fact the success of the latter depends upon to action of the planters. Government should and we have no doubt will, exercise a liberat colley toward the producers, both in granting ciails and in remmungating them for their pro-
